

ELICIT-PLUS C1 Training Course

20-26 February 2017

ELICIT: European Literacy and Citizenship Education

Recent events in the European Union can only reinforce our motivation and engagement in projects such as this...

The ELICIT-PLUS C1 training Course aims at providing C2 and C3 organizers with common experience and shared tools so that our ELICIT-PLUS courses will be stimulating and effective and to prepare for the publication of our intellectual outputs, which are being generated in the process.

This first C1 training course took place in Paris (France), 4-10 October 2015.

We are now offering another C1 course in Constanta (Romania), 20-25 February 2017.

A final C1 course will take place in Kecskemet (Hungary), 4-9 June 2017.
