

DISSEMINATION REPORT FORM

PARTNER'S NAME: **FUNDATIA ALUMNI CONSTANTA** **CODE: P25**

Type of activity (presentation, article, interview, training etc.)	Presentation
Place (institution, town, country)	EUROPEAN ASSOCIATION OF TEACHERS OF SERBIA - BELGRADE
Date(s)	21.04.2017
Short description of dissemination activity	In the first regional meeting of grammar schools capitals of Serbia, Croatia, Bosnia and Herzegovina, Slovenia, Macedonia and Montenegro, held in the Sixth Belgrade Grammar School, I took part at the round table "Secondary Education in the Region and its European Perspectives". I made general information on the draft, specifying the partners, objectives and final products of the latter. I have exposed in detail the structure of the three types of training modules on the theme of education for European citizenship active (optional mode for school students, the mode of initial training for students and mode of continuous training for teachers). We distributed leaflets to promote, notepads and assignment of the project. The participants were very interested in the possibility of participation in the training courses continued on the theme of education marks his tenth European citizenship and of the conditions under which he would be able to attend as partners in the Erasmus projects +
Target group (approximate number of people reached by this dissemination activity)	The target group was composed of the directors of schools in the 6 member ex-Yugoslavia, members of the sections of the regional impact of AEDE, teachers and students of the high school host, representatives of local public administration (City Zvezdara Municipality) and the Ministry of Education, Science and Tehnological Developement - Serbia). TherezWere above 30 participants
